ASSOCIATION  
2016**

**NATIONAL ROAD • ROUTE 66 • LINCOLN HIGHWAY AUTO TOUR**

*Leaving Cumberland, Maryland on June 18, 2016*

*Arriving at the Lincoln Highway in Joliet, Illinois on June 24, 2016*

Join us on yet another tour of some of America's most iconic roads. This time, we will be experiencing our country's very first road, The Old National Road, as well as arguably its most famous road, Route 66. We will travel the oldest, most original portion of The National Road, followed by the Illinois portion of Route 66 northward to its intersection with The Lincoln Highway. This seven day tour will feature many activities and meals along the way to enjoy with fellow road historians and auto enthusiasts. The tour is open to vehicles of all types, and all ages. Bring your antique automobile to experience travel as in days gone by. Or bring your motorcycle to fully experience the open road. And of course, you can bring your modern ride to more easily enjoy the sights these roads have to offer. Any way you do it, you'll feel the history of these great roads up close and personal with others who share common interests.

# NATIONAL ROAD • ROUTE 66 • LINCOLN HIGHWAY

## *Auto Tour*

This is your chance to spend seven days on the National Road and Route 66 - roads which helped to shape travel in America. All vehicles are welcome - from antiques to classics to contemporary - commercial, stock or modified - two, three, four or more wheels - whatever your fancy, it's welcome on this tour.

We'll gather the evening of Friday, June 17, 2016 at the eastern terminus of The Old National Road - Cumberland, Maryland - for an opening banquet, and a chance to get acquainted to those with whom you will be traveling, or possibly renew old friendships from previous tours. Cumberland, located on the Potomac River in mountainous western Maryland, is a beautiful location to begin your adventure. From there, you'll travel west on the road George Washington traveled so many years ago, as it winds through scenic Maryland and southwestern Pennsylvania, and will experience area history dating back to the 1750's. The tour will take you across the northern panhandle of West Virginia, then through the heart of Ohio and Indiana before reaching the original western terminus at Vandalia, Illinois. From here we'll jog over to Historic Route 66, motoring through the land of Lincoln until we reach the Highway of the same name. At this location, the organized tour will conclude on Friday, June 24, in hopes of your continuing - east or west - on the Lincoln Highway.

Many memorable activities and most of your meals are included in the cost of the tour. These will include Fort Neccessity, original state capital buildings, the Zane Gray/National Road Museum, Ohio's famous "S" and "Y" bridges, the National Museum of the US Air Force, Wright Brothers sites, the Model T Ford Museum, Indianapolis Motor Speedway, Lincoln's home and grave, Route 66 Museum and Hall of Fame, numerous iconic service stations and roadside cafes, and the Joliet Historical Museum. Time will be available to allow you to visit antique shops, scenic vistas, and points of interest along the way that catch your eye!

Tour fees are flexible to allow you to participate in all or part of the tour as your time permits. You can join us for as little as two days, for its entire length, or any amount in between. Mileage averages 125 miles per day to allow time to "be a tourist", and to enjoy the pace of some of the older cars. The tour will provide an experienced support team consisting of a Tour Director to handle all the arrangements, and a sweep truck on hand in the event of a breakdown or other problem you might encounter. Your fee does not include your lodging. Discounted rates will be available at motels in our overnight locations. Reservations can be handled by the tour staff after your registration is received.
